GREENSBORO GRIMSLEY

GENERATIONS NEWSLETTER

bringing Alumni together

Generations 3 ... Helping Your School!

It's the Fall of 2006, the start of another school year and time for another generation of students to begin their journey through Grimsley High School, for others to continue that journey, and for many, a time to prepare for and celebrate the end of their high school years. **It's also another year to continue our school's tradition of outstanding achievements in academics, athletics and the arts!**

As we celebrate the accomplishments of this last year and the Class of 2006, we kick off our third Generations Campaign, the Annual Fund for Greensboro Grimsley. **Your generous past support of our Generations Campaigns has been instrumental in continuing the Grimsley tradition of excellence, as we've been able to help the school in an impressive variety of ways ...** from awarding student scholarships annually to providing faculty with grants for special projects ... from funding needs for the Media Center and the Drama Departments to providing new textbooks for ROTC classes ... from planting new trees at Jamison Stadium to helping fund a nature trail on campus. These are but a few examples of how your support has translated into fulfilling real needs for the benefit of our school.

Our Annual Generations Campaign is a time to raise awareness and funding for Greensboro Grimsley High School, to truly "make a difference" for the new generations of Grimsley students and faculty, by supporting the school that has always "made a difference" in the lives of so many past generations. **You can help by volunteering to help with the Campaign, by continuing your personal financial support and by spreading the word of the great work your Alumni Association is doing on behalf of your school.**

We appreciate everything you do to assist Greensboro Grimsley, and we especially hope we are always deserving of your financial support. There are many school needs that cannot be funded from limited school budgets, but with your help, we continue to turn some of those "hopes and dreams" into reality. **Thank you for volunteering for and giving to our Generations Campaign!**

Generations Campaign Schedule... Volunteers Needed!

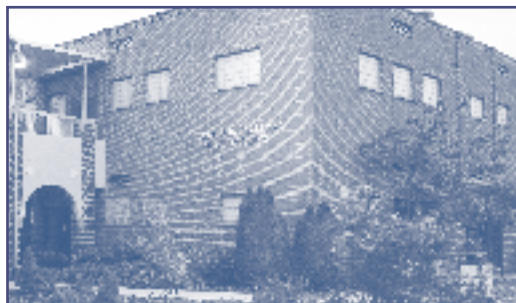

Our 3rd Annual Generations Campaign kicked off with a Class Captains meeting on September 20th. Each Class Captain will write to selected classmates and ask for their continued help, and we hope you will all respond as generously as you have in the past.

We can always use more volunteers! If you would like to join your Class Captains and help us connect with even more classmates and send out even more letters, please advise us when you send in your contribution. We do have fun talking with classmates!

Campaign letters will be mailed by the end of October. **We look forward to your contributions and to recognizing you in our future newsletters ...** and thank you for talking us up to your fellow Alumni and friends of Grimsley as well!

Music Building Dedicated to Herbert Hazelman

March of 2005 saw the historic dedication of our music facility to become the Herbert R. Hazelman Music Building, a crowning achievement for the renowned educator and legendary music leader who served as band director at Greensboro Grimsley for 40 years.

Mr. Hazelman has had a truly profound impact on the lives of countless students and on the music community in Greensboro and beyond. Respected for his positive influence, he always encouraged students to achieve through music discipline and education, and many

of his students have gone on to excel in the music world. His legacy includes not only music education but a history of composing a number of pieces of music, including the Grimsley Alma Mater.

Your Alumni Association is proud to have contributed to the preservation of the memory of Herbert Hazelman in this way, which will allow generations of Grimsley students to appreciate his impact on the Greensboro music scene.

4th Annual Whirlie Walk Coming This Spring!

Our Annual Whirlie Walks, sponsored by your Alumni Association, have raised over \$65,000 in funds for the benefit of your school. Hundreds of Grimsley students have participated in past Walks and all students, alumni, faculty and staff are encouraged to help in this school-wide effort. The Whirlie Walk is just plain fun!

Congratulations to everyone who has participated in the past ... and we look forward to your active involvement this Spring. If you like to walk, run, listen to music or just hang out, the Whirlie Walk is definitely for you. Look for more detail as we get closer to warmer weather!

Alumni Spotlight ...

Dr. Thomas Penland

Our Grimsley Spotlight shines on Dr. Thomas Penland, our principal from 1993-1996. During his tenure, not only was the IB Diploma Program introduced but planning for your Alumni Association was also begun. Dr. Penland is currently the Superintendent of two foreign schools in South Korea but still maintains a home in Greensboro, and was gracious enough to be "interviewed" via email for this article.

Among his fondest memories are Student Council "Lunch on the Lawn" events and students coming early in the morning before school to study "Classical Greek" with Dr. Frost. He also recalls "being the Wizard of Oz in the school play ... and also members of the Jazz band and the regular band with Ms. Force surprising me at the airport when I arrived back from a three week trip to Asia to collect my dissertation research and attend the IB World Conference in Indonesia. I remember the IB exploration trips with our Grimsley faculty members. We talked during those trips about 'world class' education and how to make Grimsley better ... it was a great time to get to know one another and appreciate the diversity in the group."

Dr. Penland says that "all of the teachers were inspirational ... experienced teachers who were not 'stuck in the old ways' but who truly were lifelong learners always looking for ways to improve their craft of teaching. But the students were who made my days. They were always pushing us upward and forward. I remember the student body taking on the challenge of having 'lunch

buddies' with the Autistic classroom students. I was so inspired by the leaders of the school taking time to build relationships with these students. It inspires me still today."

"Grimsley taught me ... that quality education occurs when you get well trained faculty members motivated to work together to do the best they can with their students," says Dr. Penland. "Grimsley taught me to believe in student leaders more than ever and to let them have leadership responsibilities. Grimsley taught me no matter how big the school, you can still have a real community."

Dr. Penland arrived at the Taejon Christian International School in 1996, when the school had 200 students K-12 with 30 boarding students; it now has over 600 students with over 200 boarding students, and is one of the largest international boarding schools in Asia (visit the school's website at www.tcis.or.kr). He and his team just opened the Gyeonggi Suwon International School in Suwon, South Korea, just south of Seoul. A project in partnership with the Gyeonggi Provincial Government and the Suwon City government, which donated land and funding for construction, the school opened this fall with just over 100 students in grades K-8 (visit this school via the website at www.gsis.sc.kr).

Dr. Penland is a truly outstanding representative of the Grimsley spirit of excellence around the world ... from all of us at the Alumni Association you helped create, thank you for your inspiration and leadership!

Grimsley Star Battles Back

OJ Polk, a three sport athlete and 1984 Grimsley graduate, suffered damage to his spinal column in a freak softball accident earlier this year and is undergoing rehabilitation at the Shepherd Center in Atlanta. His costly rehab has generated several Greensboro-based efforts to raise funds for his assistance; one softball tournament has been played and another is scheduled. Clayton Nance, a former Grimsley teacher who retired from Page as a teacher and coach of many years, will be coordinating a basketball tournament when that season arrives.

Phil Weaver visited OJ in Atlanta this summer and was buoyed by his amazingly positive attitude. Initially paralyzed from the neck down, OJ can now move his arms and hands well and can slightly wiggle the toes on his right foot. OJ hopes that as the spinal cord swelling goes down, he can once again regain full use of all of his body.

His great attitude has helped him to accept that rehab will be a lengthy process. OJ was injured while sliding headfirst into third base, and that hard-nosed hustle reflects the fact that he is a tough athlete from a very athletic family. In fact, many of our Alumni went to school with a Polk because there have been eight of them!

OJ is not a rich man, except in the sense of how many friends he has and of the great family that supports him. For your information, the "Jay Polk Medical Expense Fund" is being accumulated at the NC State Employees Credit Union (account number 60171453) to help defray expenses at the Shepherd Center, where OJ may be reached by phone at 404-352-2020 (room 316) or through an email link at www.shepherdcenter.org.

A Love Story, Grimsley Style

They both graduated in 1941 ... Phil Newman and Aurelia "Chick" Dunstan ... but they were never in the same class or activities; in fact, they rarely saw each other at school. They had but one date, and with graduation they went their separate ways: Phil to New Jersey and the Air Force, Aurelia to the University of Georgia and then to Florida. They each married, had children, lived their separate lives and survived early widowhood.

In May 1991, the Class of '41 celebrated their 50th reunion. Phil and Chick sat next to each other at a table ... they could hardly take their eyes off each other, but that was as far as the old friendship went. Over a decade later Phil saw in the Grimsley Alumni News that Aurelia, now a widow in Gainesville, had published another book. He sent a friendly letter which turned into a year of letters and even more frequent telephone conversations, and after a year flew to Florida to see Chick. Within 15 minutes, he popped the question and 64 years after their only date, they were engaged.

Today Phil and Chick are happily married in Gainesville, enjoying their years together and living a true story of romance like no other, Grimsley grads reunited after decades apart. May they always be an inspiration to us all!

Did You Know?

You can make your Generations Campaign contributions in honor of someone you care about or as a memorial to an individual who has passed away. We ask you to clearly state your intent in writing when making your contribution, so we can list you not only in our list of donors but in our Memorials and In Honor Of sections. Thank you for considering this way to commemorate people you would like remembered in a special way.

Campaign Funds First Association Endowment

Fall 2005 saw your Alumni Association Board vote to establish an Alumni Association Endowment Fund and to adopt as a goal the annual allocation to that Fund from general Alumni Association revenues of at least \$10,000. In early 2006, your Association partnered with the Community Foundation of Greater Greensboro (CFGG) in the formation of the Grimsley Alumni Association Endowment Fund.

CFGG, through our Fund, offers the Association expert financial management

at a reasonable cost, with economics of scale that result in a more favorable return and more reasonable management fees.

With the consent of the founders of these separate Funds, the Association has also established with CFGG (1) the Grimsley Melvin G. Coleman Scholarship Endowment Fund and (2) the Grimsley Larry Saunders Teaching Award Fund, awards that are annually determined and announced by the Association. If you would like to contribute to any

of our Endowment Funds through the Generations Campaign, please make your check payable to the "Greensboro Grimsley High School Alumni Association," mark it for the "Endowment Fund," the "Coleman Scholarship Fund" or the "Saunders Teaching Award Fund," and mail it to GHS Alumni and Friends Association, PO Box 4248, Greensboro, NC 27404-4240. Thank you for all you do to help us build our Endowments for future use in helping Greensboro Grimsley High School!

Q&A With Our Alumni ... Coach Bob Sawyer

What was your first memory of Greensboro Grimsley?

I came as a 10th grader when Greensboro Senior was the only high school in the city, with all five Junior High Schools graduating students that would all attend the high school. I remember how great it was to compete with, rather than against, all the kids you had known from the five Junior High Schools in Greensboro. We were all together for the first time and that was a great feeling.

What was the sports scene in Greensboro like at that time?

Since we were the only high school, I remember that every football game had huge publicity. It was a big deal, a show that brought everybody together. At that time, Jamieson Stadium, which had been built just 3 years before, was the place to be. And the rivalries were between cities, since each city had just one high school ... we created lots of in-state interest with our non-conference games against Raleigh, Durham and Rocky Mount. Our rivalries with Winston-Salem Reynolds and Burlington were spirited, but we played even harder against High Point Central, because that game was for bragging rights in Guilford County.

Were there special people that made a significant impact on you over your student years?

I remember A.P. Routh as a principal who truly loved the school. And my swimming coach Patrick Earey was a great mentor and a superb coach who went on to coach at Carolina. Of course, Bob Jamieson was making lots of things happen and creating a great sports tradition at the school, one that I enjoyed being a part of. I concentrated on swimming at Greensboro Senior and was fortunate enough to be on a couple of state championship teams and to win two state titles in the 100 yard backstroke.

When did you return to work at Greensboro Grimsley?

I was set to come back in the fall of 1960 as a teacher and swimming coach, but chose to pursue a Master's degree through a fellowship at the University of Tennessee. I finally joined the staff in 1961 as a business teacher, and also coached cross country, track, swimming and football. During my years as coach, we won 15 straight state swimming titles and I think that's a record that still stands. In 1975 I became Athletic Director, a position that required me to make the tough decision to stop coaching but one that I enjoyed for the next 24 years until I retired in 1999.

What are you proudest of as far as Grimsley is concerned?

The thing I have most enjoyed is continuing the tradition of excellence that Bob Jamieson started. I was only the second Athletic Director in the school's history and I tried to further his legacy of having a balanced athletic program, competitive across all sports for both boys and girls. I've also been proud of the way that alumni and parents have supported our efforts to maintain and renovate our facilities, the best in the city.

Any final words?

I couldn't have done what I did without the support of my wife Susan, who was the "real" AD and a full time helper. She spent almost as much time at Grimsley as I did and I can honestly say I couldn't have had a better wife or helpmate.

Whirlie Athletes Shine in Spring 2006 and Beyond!

by Joe Franks

The Whirlies continued strong play in conference and at the state level in the Spring 2006 seasons!

Women's Soccer and Men's Tennis both won Metro conference titles, with Men's Golf also a co-champion. The Soccer team made it to the third round of the state playoffs, Men's Tennis was Regional Runner-up and Men's Golf won the Regional and qualified for their sixth consecutive State Tournament (the longest current streak of appearances in 4A). Now that's Whirlie success!

As you know, the Alumni Association speaks of excellence at Grimsley with the 3 A's – Academics, Arts and Athletics – and the class of 2006 student-athletes represented our school with great pride. Among the athletic award winners were ...

Lauren Atkinson, winner of the J.W. Tankersley Award, given in memory of Dr. Tankersley's 40+ years of service to Grimsley. Lauren played both tennis and soccer and was always one of Grimsley's biggest fans. She and her friends could often be found traveling all over the area to watch various Grimsley teams and help generate school spirit.

Colin Sherwood won the Raymond Johnson Award, given in memory of Coach J who loved kids that made the most of their ability. A football and lacrosse player, Colin was a hard working, tough nosed kid who pushed his teammates to be better and helped his teams excel.

Brandon Peguese received the Roger Hobbs Award, given in memory of a student who lost a battle with cancer. Brandon persevered through some tough times to be one of the best defensive linemen we have had here since Ruben Davis (UNC & NFL) ... he is also one of the nicest people you could ever meet.

The John Dewey Award, given in memory of John's battle with cancer, was presented to **Charles Irvin**. From knowing John Dewey as I grew up, I know that he would have been a real fan of Charles on the football and lacrosse fields. Charles always did whatever was asked of him with a positive outlook and was a real leader; he is also one of the most conscientious kids I have had the pleasure of working with over my 20+ years at GHS.

The Pat Addison Award, given to the best Grimsley female athlete, was presented to **Angela Hasz**. Without a doubt, she was one of the best softball players we have had since the 1985 State Championship. Angela was involved in many areas of campus life and is just a super person.

Robert Lane, a legend at Grimsley, received the McDaniel Lewis Award given to our best male athlete. Robert was undoubtedly the best football player we have had here in over two decades, and we've had some really good ones. He was also a superb lacrosse player, and he far surpassed all expectations throughout his career at Grimsley.

Our athletic programs are already off to very successful Fall 2006 seasons and we hope you get the opportunity to visit campus and attend one of our games, meets or matches. **Thanks again for your support of Grimsley and our Alumni Association ... GO WHIRLIES!!**
